

Brookside PTA's Winter 2019 Student Enrichment Program

Here are some things to know before you sign up:

Volunteers: All PTA enrichment programs require a parent to be present as a volunteer. A background check form must be filled out each year. If one parent is able to be the volunteer for all sessions, then the price for their child is usually free (or a significant discount is offered). Contact the instructor for more information.

Scholarships: These are available for all enrichment programs. Please contact Kathy Griffard at bksscholarships@gmail.com or the family advocate at Susie.moore@shorelineschools.org for information.

Registration: Registration opens Tuesday, December 11. Some programs are very popular, so register as soon as you can to reserve your spot! If there aren't enough registrations, a class could be cancelled. In the event of cancellation, families will have the chance to register for another class (space permitting).

Registration for our after school programs is done through 6Crickets, for one stop shopping ease for families (*with the exception of **Kahlo Kids Art** and **Shorecrest Hip Hop**: please email kathy_griffard@yahoo.com for registration information for those classes*).

Visit www.6Crickets.com and enter Brookside Elementary under "Enrichment at My School"
